

Section 16.3 Stand-By Duty

(a) An employee assigned to be on standby to answer calls outside of regularly scheduled hours shall receive two hours' pay at the regular straight-time rate of pay for each 16 hours of standby time.

(b) In addition to one straight time hour for each eight hours of standby duty, an employee assigned to such stand-by for not less than 16 hours on a holiday shall be entitled to eight straight time hours of pay or compensatory time off, employees may be assigned vehicles for their use subject to policies set by the City Council.

Section 16.4 Stand-by Living Radius

Employees occupying the classification of Field Supervisor shall, for purposes of standby assignment, be subject to the residency conditions detailed in "Stipulation and Order for Judgment, Case No. 347947," herein incorporated with the map in

Appendix "B." Such employees may be provided a City vehicle for the duration of said assignment, subject to remaining administrative policy provisions regarding use of City vehicles.

Section 16.5 Compensatory Time Off

Subject to approval by the department head, an employee may take compensatory time off for overtime worked in lieu of receiving overtime pay therefor. Except as noted in Section 16.3 regarding standby, compensatory overtime shall be calculated at the same rate as overtime. No employee may accumulate more than 40 hours compensatory time. In the event the employee earns comp-time in a pay period that will result in that employee exceeding the 40-hour balance, the additional hours (except those earned as straight-time compensatory time for standby duty) will be paid as overtime pay for that pay period.

Section 16.6 Weekend Work

Where the seasonal operating needs of a department make it necessary for some non-FLSA-exempt employees to work on Saturday and/or Sunday in lieu of the regular Monday through Friday workweek, such weekend work assignments shall be made on a rotational basis based on length of service with the City. To the extent possible, the assignment of weekend work shall be scheduled in advance of the work season.
